

In the current and unprecedented situation for all of us, we would like to assure you that safety of our travelers, the crew on our ferries, and the ground staff, is our top priority. We comply with all State and WHO regulations.

Procedures and preventive measures used on Unity Line ferries:

1. Sanitary inspection in the form of temperature measurement before boarding (passengers / drivers with elevated temperatures are not allowed on board).
2. Disinfection of smooth surfaces and common facilities with increasing frequency.
3. Cabin disinfection after each journey.
4. Containers with hand disinfectants and gloves are available on ferries.
5. Containers with disinfectants disposed at every food court, reception, bar, crew's mess, shop.
6. Announcements regarding protection against covid-19 in public places on ferries.
7. An obligation to maintain at least a 2-meter distance between people in a public space.
8. The obligation to put on gloves and cover your mouth and nose before entering the store or food courts.
9. An obligation to maintain at least 1.5 m distance between work stations.
10. Hand disinfectants at the entrance to food courts, disposable gloves required.
11. Self-service has been limited- meals are being distributed by the crew members wearing disposable gloves.
12. The number of people in one room has been limited
13. Cutlery is protected with a food wrap
14. Restaurants for passengers are opened from 18th May:
 - Mandatory hand disinfection before entering the premises.
 - At least 2-meter distance between the tables
 - A family or people living in the same household can sit at the same table. Otherwise, people should be seated separately, unless the distance between them is at least 1.5 m and they are not sitting facing each other.
 - No more than 1 person per 4 square meters permitted in the room.
 - Posting a maximum room occupancy signs at the entrances
 - Providing safe zones outside for guests waiting to be seated. Guest are guided to the particular table.
 - When at the table or eating wearing a face mask or gloves is not required.
 - Tables will be sanitized after each use. After the disinfection, table marked "disinfected"
 - Self-serve food or drink options, such as buffets, salad bars, and drink stations are out of service.
 - Ordered food brought on the trays.
 - Trays will be washed and sanitized after each use.

15. Single-berth cabins for individual passengers are allocated depending on availability of places. For truck drivers- single-berth cabins on Polonia nad Skania. On freight ferries- depending on availability of places.
16. An information about allocation of drivers on our ferries has been sent to forwarders we cooperate with. They have been asked to consciously make reservations and inform drivers about the latest restrictions.
17. Contact between deckhands and drivers has been limited.
18. The crew do not use elevators that are available for passengers (if necessary they use staircases)
